

Contents

Basic	Principles	1
1 Spine		
Range of Motion of the Spine (Neutral-Zero Method).....		1
Fingertips-to-Floor Distance Test in Flexion.....		10
Ott Sign.....		10
Schober Sign.....		
Skin-Rolling Test (Kibler Fold Test).....		11
Chest Tests.....		12
Sternum Compression Test.....		
Rib Compression Test.....		13
Chest Circumference Test.....		13
Schepelmann Test.....		14
Cervical Spine Tests.....		15
Screening of Cervical Spine Rotation.....		16
Test of Head Rotation in Maximum Extension.....		17
Test of Head Rotation in Maximum Flexion.....		18
Test of Segmental Function in the Cervical Spine.....		19
Soto-Hall Test.....		20
Percussion Test.....		21
O'Donoghue Test.....		21
Valsalva Test.....		22
Spurling Test.....		23
Cervical Spine Distraction Test.....		24
Elvey Test (Upper Limb Tension Tests).....		25
Brachial Plexus Tension Test.....		26
Shoulder Press Test.....		28
Shoulder Abduction (Bakody) Test.....		28
Jackson Compression Test.....		29
Intervertebral Foramina Compression Test.....		30
Flexion Compression Test.....		30
Extension Compression Test.....		31
Lhermitte Sign.....		32
Thoracic Spine Tests.....		33
Adams Forward Bend Test.....		33
Kyphosis Test on Hands and Knees.....		34
Test of Segmental Function in the Thoracic Spine in Extension and Flexion.....		34

Lumbar Spine Tests.....	35
Prone Knee Flexion Test for Lumbar Spine.....	36
Spinous Process Tap Test.....	37
Psoas Sign.....	37
Lasègue Drop (Rebound) Test.....	37
Lumbar Spine Springing Test.....	38
Hyperextension Test.....	39
One-Leg Standing (Stork Standing), Lumbar Extension Test.....	40
Supported Forward Bend Test (Belt Test).....	41
Nerve Root Compression Syndrome.....	42
Slump Test.....	45
Lasègue Sign (Straight Leg Raising Test).....	46
Reverse Lasègue Test (Femoral Nerve Lasègue Test).....	48
Bonnet Sign (Piriformis Sign).....	50
Lasègue-Moutaud-Martin Sign (Contralateral Lasègue).....	50
Bragard Test.....	50
Lasègue Differential Test.....	52
Duchenne Sign.....	53
Kernig-Brudzinski Test.....	54
Tiptoe and Heel Walking Test.....	55
Lasègue Test with the Patient Seated.....	56
Hoover Test.....	57
Sacroiliac Joint.....	58
Ligament Tests.....	59
Springing Test 2.....	60
Patrick Test (Fabere Sign).....	61
Three-Phase Hyperextension Test.....	62
Spine Test.....	64
Standing Flexion Test.....	64
Sacroiliac Joint Springing Test 2.....	66
Sacroiliac Mobilization Test.....	67
Derbolowsky Sign.....	68
Gaenslen Sign (Second Mennell Sign).....	69
Iliac Compression Test.....	70
Mennell Sign.....	70
Yeoman Test.....	71
Laguerre Test.....	72
Sacroiliac Stress Test.....	72
Abduction Stress Test.....	73

Shoulder	74
Range of Motion of the Shoulder (Neutral-Zero Method).....	77
Orientation Tests.....	80
Quick Test of Combined Motion.....	80
Codman Sign.....	81
Palm Sign Test and Finger Sign Test.....	82
Bursitis Tests.....	83
Bursae.....	83
Bursitis Sign.....	83
Dawbarn Test.....	84
Scapulothoracic Dyskinesis.....	85
Scapular Assistance Test.....	85
Rotator Cuff.....	86
Zero-Degree Abduction Test (Starter Test).....	89
Jobe Supraspinatus Test (Empty Can Test).....	90
Subscapularis Muscle Test.....	92
Internal Rotation Lag Sign (IRLS).....	93
Cerber Lift-Off Test.....	93
Belly Press (Abdominal Compression) Test.....	94
Belly-Off Test.....	95
Bear-Hug Test.....	95
Napoleon Sign.....	96
Zero-Degree External Rotation Test (Infraspinatus Muscle Test)....	97
External Rotation Lag Sign (ERLS).....	98
Abduction External Rotation Test (Patte Test).....	99
Nonspecific Supraspinatus Muscle Test.....	
Drop Arm Test.....	100
Walch/Hornblower Sign.....	102
Apley Scratch Test.....	102
Painful Arc I.....	103
Neer Impingement Sign.....	104
Internal Rotation Resistance Strength Test (IRRSST).....	105
Hawkins-Kennedy Impingement Test.....	106
Neer Impingement Injection Test.....	107
Acromioclavicular Joint.....	108
Painful Arc II.....	109
Forced Adduction Test on Hanging Arm.....	
Clavicle Mobility Test.....	110
Dugas Test.....	111
Cross-body Adduction Stress Test.....	
Acromioclavicular Injection Test.....	112

Long Head of the Biceps Tendon.....	112
Nonspecific Biceps Tendon Test.....	112
Abbott-Saunders Test.....	113
Palm-Up Test (Speed Biceps or Straight Arm Test).....	114
Snap Test.....	114
Yergason Test.....	115
Hueter Sign.....	116
Transverse Humeral Ligament Test.....	116
Ludington Test.....	117
Lippman Test.....	118
SLAP Lesions (Superior Labral Anterior-Posterior Lesion).....	118
O'Brien Active Compression Test.....	119
Stretch Test.....	120
Biceps Load Test 1.....	120
Biceps Load Test 2.....	121
Habermeyer Supine Flexion Resistance Test.....	122
Shoulder Instability.....	123
Compression Test.....	125
Anterior Apprehension Test.....	126
Fulcrum Test.....	128
Throwing Test.....	128
Leffert Test.....	129
Load and Shift Test (Drawer Test).....	129
Posterior Apprehension Test (Posterior Shift and Load Test).....	130
Gerber-Ganz Anterior Drawer Test.....	131
Gerber-Ganz Posterior Drawer Test.....	132
Jerk Test.....	133
Fukuda Test.....	134
Sulcus Sign.....	134
Gagey Hyperabduction Test.....	136
Rowe Test.....	137

Elbow	138
Range of Motion of the Elbow (Neutral-Zero Method).....	139
Function Tests.....	142
Orientation Tests.....	142
Hyperflexion Test.....	142
Supination Stress Test.....	142
Stability Tests.....	143
Varus Stress Test.....	143
Valgus Stress Test.....	144

Moving Valgus Stress Test	145
Lateral Pivot Shift Test (Posterolateral Apprehension Test)	146
Epicondylitis Tests	147
Chair Test	147
Bowden Test	148
Thomson Test (Tennis Elbow Sign)	148
Mill Test	149
Motion Stress Test	149
Cozen Test	150
Reverse Cozen Test	150
Golfer's Elbow Sign	151
Forearm Extension Test	152
Compression Syndrome Tests	152
Tinel Test	152
Elbow Flexion Test	153
Supinator Compression Test	154
Wrist, Hand, and Fingers	155
Range of Motion in the Hand (Neutral-Zero Method)	156
Function Tests	
Tests of the Flexor Tendons of the Hand	160
Flexor Digitorum Profundus	160
Flexor Digitorum Superficialis	160
Flexor Pollicis Longus and Extensor Pollicis Longus	161
Muckard Test	162
Finkelstein Test	162
Grind Test	163
Linburg Test	164
Bunnell-Littler Test	165
Watson Test (Scaphoid Shift Test)	166
Scapholunate Ballotment Test	167
Finger Extension or "Shuck" Test	168
Dorsal Capitate Displacement Apprehension Test	168
Reagan Test (Lunotriquetral Ballotment Test)	169
Stability Test for a Torn Ulnar Collateral Ligament in the Metacarpophalangeal Joint of the Thumb	170
Supination Lift Test	171
Compression Neuropathies of the Nerves of the Arm	172
Pronator Teres Syndrome	172
Compression Neuropathy of the Ulnar Nerve in Guyon's Canal	172
Carpal Tunnel Syndrome (CTS)	173
Cubital Tunnel Syndrome	174

Tests of Motor Function in the Hand	174
Testing the Pinch Grip	174
Testing the Key Grip	174
Testing the Power Grip	175
Testing the Chuck Grip	175
Testing Grip Strength	175
Radial Nerve Palsy Screening Test	177
Thumb Extension Test	178
Supination Test	178
Tinel Sign	179
Median Nerve Palsy Screening Test	180
Ochsner Test	181
Carpal Tunnel Sign	181
Phalen Test	182
Nail Sign	182
Bottle Test	183
Reverse Phalen Test	184
Pronation Test	184
Froment Sign	185
Ulnar Nerve Palsy Screening Test	186
Intrinsic Test	186
O Test (Pinch Sign)	187
Wrist Flexion Test	188

5

Hip	189
Range of Motion of the Hip (Neutral-Zero Method)	191
Function Tests	194
Fingertip Test	194
Test for Rectus Femoris Contracture	195
Rectus Femoris Stretch Test (Ely's Test)	196
Hip Extension Test	197
Thomas Grip	197
Noble Compression Test	199
Ober Test	200
Drehmann Sign	201
Passive Rotation Test (Log Roll Test)	202
Anvil Test	203
Leg Pain upon Axial Compression	204
Piriformis Test	204
Trendelenburg Sign/Duchenne Sign	205
Fabere Test (Patrick Test) for Legg-Calvé-Perthes Disease	207

Telescope Sign	208	Steinmann II Sign	253
Barlow and Ortolani Tests	209	Bohler-Kromer Test	254
Galeazzi Test (Allis Test)	211	Merke Test	255
Anteversion Test (Craig Test)	212	Cabot Test	257
Leg Length Difference Test	213	Finochietto Sign	258
Hip and Lumbar Rigidity in Extension	215	Childress Sign	259
Trochanter Irritation Sign (Bicycle Test)	216	Turner Sign	260
Posterior Margin Test	217	Anderson Medial and Lateral Compression Test	260
Kalchschmidt Hip Dysplasia Tests	218	Passler Rotational Compression Test	262
Femoroacetabular Impingement Test	220	Tschaklin Sign	263
		Wilson Test	263
6 Knee	222	Knee Ligament Stability Tests	264
Knee Tests	223	Abduction and Adduction Test (Valgus and Varus Stress Test)	264
Muscle Stretch Tests	226	Function Tests to Assess the Anterior Cruciate Ligament	266
Quadriceps Stretch Test	226	Lachman Test (Noullis Test)	266
Rectus Femoris Muscle Stretch Test	226	Prone Lachman Test	267
Hamstring Muscle Stretch Test	227	Stable Lachman Test	269
Knee Swelling	228	No-Touch Lachman Test	270
Brush (Stroke, Wipe) Test	230	Active Lachman Test	271
"Dancing Patella" Test	230	Anterior Drawer Test in 90° Flexion	272
Patella	231	Jakob Maximum Drawer Test	274
Q-Angle Test	232	Pivot Shift Test	275
Patella Mobility Test (Patellar Glide Test)	233	Jakob Graded Pivot Shift Test	276
Zohlen Sign	235	Modified Pivot Shift Test	278
Facet Tenderness Test	236	Medial Shift Test	280
Crepitation Test	237	Soft Pivot Shift Test	280
Fairbank Apprehension Test	238	Martens Test	282
McConnell Test	239	Losee Test	282
Subluxation Suppression Test	240	Slocum Test	283
Tilt Test	241	Arnold Crossover Test	284
Dreyer Test	242	Noyes Test	284
Mediopatellar Plica Test	242	Jakob Giving Way Test	285
Hughston Plica Test	243	Lemaire Test	286
Meniscus	244	Hughston Jerk Test	287
Apley Distraction and Compression Test (Grinding Test)	245	Function Tests to Assess the Posterior Cruciate Ligament	288
Thessaly Test	247	Posterior Drawer Test in 90° Flexion (Posterior Lachman Test)	288
McMurray Test/Fouche Sign (reversed McMurray Test)	248	Reversed Jakob Pivot Shift Test	289
Bragard Test	249	Quadriceps Contraction Test	290
Payr Sign	250	Posterior Sag Sign	290
Payr Test	251	Soft Posterolateral Drawer Test	291
Steinmann I Sign	252	Gravity Sign and Genu Recurvatum Test	292

Hughston Test for Genu Recurvatum and External Rotation	293
Godfrey Test	294
Dynamic Posterior Shift Test	294
Loomer Posterolateral Rotary Instability Test	295
Iliotibial Tract	296
Noble Compression Test	296
Foot and Ankle	297
Range of Motion in the Ankle and Foot (Neutral-Zero Method)	298
Function Tests	302
Grifka Test	302
Strunsky Test	302
Toe Displacement Test	JLU
Crepitation Test	304
Gaenslen Maneuver	JUJ
Metatarsal Tap Test	305
Thompson Compression Test (Calf Compression Test)	306
Hoffa Sign	307
Achilles Tendon Tap Test	308
Coleman Block Test	308
Foot Flexibility Test	310
Forefoot Adduction Correction Test	311
Collateral and Syndesmosis Ligaments	311
Talar Tilt Test 1 (Inversion Stress Test or Varus Stress Test)	313
Talar Tilt Test 2 (Eversion Stress Test or Valgus Stress Test)	314
Anterior and Posterior Drawer Tests	314
External Rotation Stress Test (Kleiger Test)	316
Squeeze Test	316
Dorsiflexion Test	317
Heel Thump Test	317
Ankle Impingement	318
Anterior Ankle Impingement Test: Hyperdorsiflexion Test	318
Posterior Ankle Impingement Test: Hyperplantar Flexion Test	319
Nerve Damage	320
Digital Nerve Stretch Test	320
Mulder Click Test (Morton's Test)	322
Tinel Sign	324
Fracture	324
Heel Compression Test	

8 Posture Deficiency	325
Kraus-Weber Tests	326
Matthias Postural Competence Tests	328
9 Venous Thrombosis	330
Lowenberg Test	331
Trendelenburg Test	332
Perthes Test	333
Homans Test	334
10 Occlusive Arterial Disease and Neurovascular Compression Syndromes	335
Allen Test (Fist-Closure Test)	336
George's Vertebral Artery Test (De Klyn Test)	336
Ratschow-Boerger Test	338
Thoracic Outlet Syndrome (TOS)	338
Costoclavicular Test (Geisel Manipulation)	340
Hyperabduction Test	341
Intermittent Claudication Test	342
Allen Maneuver	343
Wright Test	343
Adson Test	345
11 Disturbances of the Central Nervous System	346
Arm Holding Test	346
Leg Holding Test	347
References	348
Index	365
