<b>1</b>	<b>Eyelids.....</b>	<b>1</b>	<b>5</b>	<b>Conjunctiva.....</b>	<b>131</b>
	Introduction.....	2		Introduction.....	132
	Non-neoplastic lesions.....	3		Bacterial conjunctivitis.....	135
	Benign epidermal tumours.....	7		Viral conjunctivitis.....	141
	Benign pigmented lesions.....	9		Allergic conjunctivitis.....	144
	Benign adnexal tumours.....	10		Conjunctivitis in blistering mucocutaneous disease.....	152
	Miscellaneous benign tumours.....	12		Miscellaneous conjunctivitides.....	158
	Malignant tumours.....	13		Degenerations.....	162
	Disorders of the eyelashes.....	25		Subconjunctival haemorrhage.....	166
	Allergic disorders.....	30	<b>6</b>	<b>Cornea.....</b>	<b>167</b>
	Bacterial infections.....	31		Introduction.....	168
	Viral infections.....	32		Bacterial keratitis.....	175
	Blepharitis.....	34		Fungal keratitis.....	180
	Ptosis.....	38		Herpes simplex keratitis.....	183
	Ectropion.....	45		Herpes zoster ophthalmicus.....	189
	Entropion.....	50		Interstitial keratitis.....	194
	Miscellaneous acquired disorders.....	51		Protozoan keratitis.....	197
	Cosmetic eyelid and periocular surgery.....	56		Helminthic keratitis.....	199
	Congenital malformations.....	57		Bacterial hypersensitivity-mediated corneal disease.....	199
<b>2</b>	<b>Lacrimal drainage system.....</b>	<b>63</b>		Rosacea.....	201
	Introduction.....	64		Peripheral corneal ulceration/thinning.....	202
	Acquired obstruction.....	69		Neurotrophic keratopathy.....	206
	Congenital obstruction.....	72		Exposure keratopathy.....	207
	Chronic canaliculitis.....	73		Miscellaneous keratopathies.....	209
	Dacryocystitis.....	73		Corneal ectasias.....	213
<b>3</b>	<b>Orbit.....</b>	<b>77</b>		Corneal dystrophies.....	216
	Introduction.....	78		Corneal degenerations.....	225
	Thyroid eye disease.....	82		Metabolic keratopathies.....	230
	Infections.....	87		Contact lenses.....	232
	Non-infective inflammatory disease.....	89		Congenital anomalies of the cornea and globe.....	233
	Non-neoplastic vascular abnormalities.....	92	<b>7</b>	<b>Corneal and refractive surgery.....</b>	<b>239</b>
	Cystic lesions.....	95		Keratoplasty.....	240
	Vascular tumours.....	98		Keratoprostheses.....	245
	Lacrimal gland tumours.....	103		Refractive procedures.....	246
	Neural tumours.....	106	<b>8</b>	<b>Episclera and sclera.....</b>	<b>253</b>
	Lymphoma.....	109		Anatomy.....	254
	Rhabdomyosarcoma.....	109		Episcleritis.....	254
	Metastatic tumours.....	HO		Immune-mediated scleritis.....	255
	The anophthalmic socket.....	113		Infectious scleritis.....	262
	Craniosynostoses.....	117		Scleral discoloration.....	262
<b>4</b>	<b>Dry eye.....</b>	<b>119</b>		Blue sclera.....	262
	Introduction.....	120		Miscellaneous conditions.....	264
	Sjogren syndrome.....	121	<b>9</b>	<b>Lens.....</b>	<b>269</b>
	Clinical features.....	122		Acquired cataract.....	270
	Investigation.....	124		Management of age-related cataract.....	273
	Treatment.....	127			

Congenital cataract.....	297
Ectopia lentis.....	300
Abnormalities of lens shape.....	303

## 10 Glaucoma.....305

Introduction.....	306
Tonometry.....	307
Gonioscopy.....	309
Evaluation of the optic nerve head.....	316
Imaging in glaucoma.....	320
Perimetry.....	323
Medical treatment of glaucoma.....	330
Laser treatment of glaucoma.....	334
Trabeculectomy.....	338
Non-penetrating glaucoma surgery.....	345
Drainage shunts.....	346
Ocular hypertension.....	348
Primary open-angle glaucoma.....	349
Normal-tension glaucoma.....	358
Primary angle-closure glaucoma.....	360
Classification of secondary glaucoma.....	366
Pseudoexfoliation.....	366
Pigment dispersion.....	368
Neovascular glaucoma.....	371
Inflammatory glaucoma.....	374
Lens-related glaucoma.....	377
Traumatic glaucoma.....	379
Iridocorneal endothelial syndrome.....	381
Glaucoma associated with intraocular tumours.....	383
Glaucoma secondary to epithelial ingrowth.....	384
Iridoschisis.....	384
Primary congenital glaucoma.....	384
Iridocorneal dysgenesis.....	388
Glaucoma in phacomatoses.....	394

## 11 Uveitis.....395

Classification.....	396
Anterior uveitis.....	396
Uveitis in spondyloarthropathies.....	404
Fuchs uveitis syndrome.....	407
Uveitis in juvenile idiopathic arthritis.....	408
Uveitis in bowel disease.....	411
Uveitis in renal disease.....	412
Intermediate uveitis.....	412
Vogt-Koyanagi-Harada (VKH) syndrome.....	415
Sympathetic ophthalmitis.....	416
Lens-induced uveitis.....	419
Sarcoidosis.....	420
Behcet disease.....	424
Parasitic uveitis.....	426
Viral uveitis.....	437
Fungal uveitis.....	444
Bacterial uveitis.....	448
Miscellaneous idiopathic chorioretinopathies.....	455

## 12 Ocular tumours.....467

Benign epibulbar tumours.....	468
Malignant and premalignant epibulbar tumours.....	473
Iris tumours.....	477
Iris cysts.....	480
Ciliary body tumours.....	483
Tumours of the choroid.....	484
Neural retinal tumours.....	497
Retinal vascular tumours.....	506
Primary intraocular lymphoma.....	512
Tumours of the retinal pigment epithelium.....	514
Paraneoplastic syndromes.....	517

## 13 Retinal vascular disease.....519

Retinal circulation.....	520
Diabetic retinopathy.....	520
Non-diabetic retinopathy.....	538
Retinal venous occlusive disease.....	538
Retinal arterial occlusive disease.....	549
Ocular ischaemic syndrome.....	556
Hypertensive eye disease.....	557
Sickle cell retinopathy.....	559
Thalassaemia retinopathy.....	561
Retinopathy of prematurity.....	561
Retinal artery macroaneurysm.....	565
Primary retinal telangiectasia.....	569
Eales disease.....	569
Radiation retinopathy.....	572
Purtscher retinopathy.....	572
Valsalva retinopathy.....	572
Lipaemia retinalis.....	574
Retinopathy in blood disorders.....	574

## 14 Acquired macular disorders.....579

Introduction.....	580
Clinical evaluation of macular disease.....	581
Investigation of macular disease.....	586
Age-related macular degeneration.....	598
Retinal angiomatous proliferation.....	616
Polypoidal choroidal vasculopathy.....	617
Peripheral exudative haemorrhagic chorioretinopathy.....	618
Idiopathic choroidal neovascularization.....	618
Vitreomacular interface disorders.....	618
Central serous chorioretinopathy.....	624
Idiopathic macular telangiectasia.....	627
Cystoid macular oedema.....	630
Microcystic macular oedema.....	630
Degenerative myopia.....	631
Angioid streaks.....	635
Choroidal folds.....	635
Hypotony maculopathy.....	637
Solar retinopathy.....	638
Focal choroidal excavation.....	638

## 15 Hereditary fundus dystrophies 641

Introduction.....	642
Investigation.....	642
Generalized photoreceptor dystrophies.....	646
Macular dystrophies.....	660
Generalized choroidal dystrophies.....	667
Hereditary vitreoretinopathies.....	669
Albinism.....	678
Cherry-red spot at the macula.....	680

## 16 Retinal detachment 681

Introduction.....	682
Peripheral lesions predisposing to retinal detachment.....	688
Posterior vitreous detachment.....	694
Retinal breaks.....	698
Rhegmatogenous retinal detachment.....	701
Tractional retinal detachment.....	711
Exudative retinal detachment.....	712
Pars plana vitrectomy.....	713

## 17 Vitreous opacities.....721

Introduction.....	722
Muscae volitantes.....	722
Vitreous haemorrhage.....	722
Asteroid hyalosis.....	722
Synchysis scintillans.....	722
Amyloidosis.....	722
Vitreous cyst.....	726
Persistent fetal vasculature.....	726

## 18 Strabismus.....727

Introduction.....	728
Amblyopia.....	737
Clinical evaluation.....	738
Pseudostrabismus.....	755
Heterophoria.....	756
Vergence abnormalities.....	756
Esotropia.....	757

Exotropia.....	762
Congenital cranial dysinnervation disorders.....	764
Monocular elevation deficiency.....	766
Brown syndrome.....	766
Alphabet patterns.....	767
Surgery.....	769
Botulinum toxin chemodeneration.....	771

## 19 Neuro-ophthalmology 773

Neuroimaging.....	774
Optic nerve.....	779
Pupils.....	806
Chiasm.....	812
Retrochiasmal pathways.....	819
Ocular motor nerves.....	821
Supranuclear disorders of ocular motility.....	830
Nystagmus.....	832
Ocular myopathies.....	838
Miller Fisher syndrome.....	842
Neurofibromatosis.....	842
Migraine.....	846
Neuralgias.....	847
Facial spasm.....	848

## 20 Ocular side effects of systemic medication.....851

Cornea.....	852
Ciliary effusion.....	853
Lens.....	853
Uveitis.....	854
Retina.....	854
Optic nerve.....	859

## 21 Trauma.....861

Eyelid trauma.....	862
Orbital trauma.....	864
Trauma to the globe.....	867
Chemical Injuries.....	881
Index.....	887
